

Tuesday, July 11

CEO Summit: Path to \$1T (Keynote)

The Virtual Path to a Trillion-Dollar Reality

Tim Archer, keynote speaker

8:30 – 8:55 am

Moscone North, Keynote Stage, Room 24

Workforce Development: Creating a Diverse and Inclusive Industry

Building a Better Network: Crucial Conversations

Antoinette Hamilton, presenter

3:00 – 3:25 pm

Moscone North, Workforce Development Theater

Climate Equity and Social Impact

Employee Impact Groups

Wojtek Osowiecki, presenter

4:20 – 5:00 pm

Moscone South, Room 2

Wednesday, July 12

TechTalk: Latest Trends in Sensorization

Addressing High Volume Manufacturing Challenges and Technology Inflections in MEMS

Michelle Bourke, presenter

10:40 – 11:00 am

Moscone South, TechTalk Stage, Room 4

Workforce Development: Building a Career in Microelectronics

Tales from Interns and Recent Graduates

Cuauhtemoc Macias, presenter

11:00 – 11:25 am

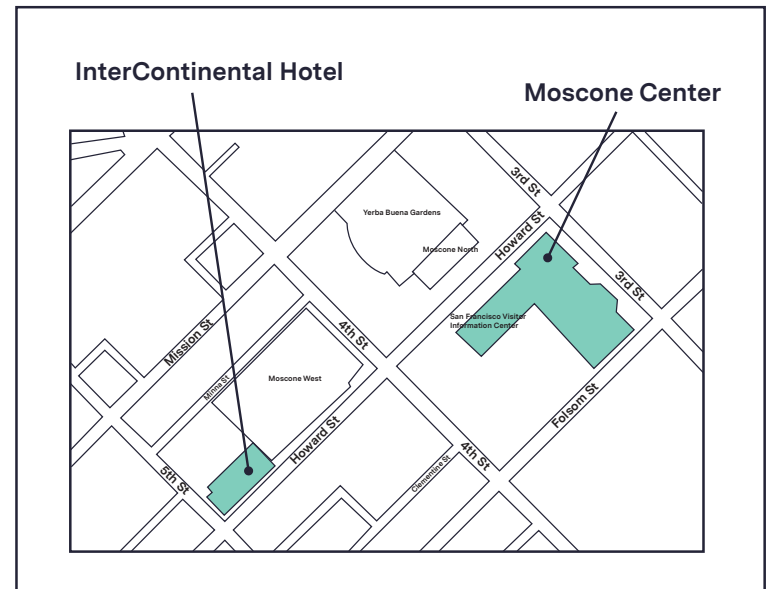

Moscone North, Workforce Development Theater

Shaping a Better World Through Microelectronics

Dara Bobb-Semple, presenter

11:30 – 11:55 am

Moscone North, Workforce Development Theater

Wednesday, July 12 (continued)

Opportunities from Failure – A Day in the Life of an Engineer

Theron Smith, presenter

2:00 – 2:25 pm

Moscone North, Workforce Development Theater

Global Security Forum: Securing the Future for Semiconductor Manufacturing

It's Better to Trust Each Other

Jason Callahan, presenter

3:25 – 3:45 pm

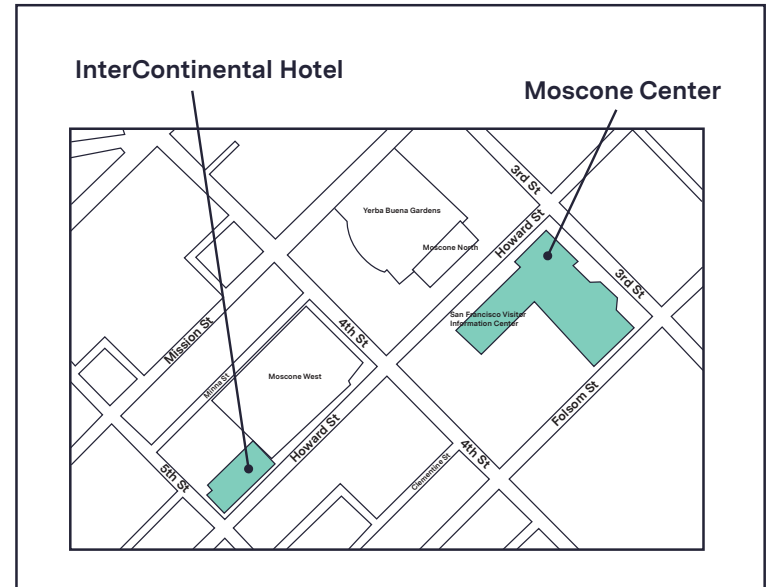

Moscone North, Room 21

Panel: Accelerating Cybersecurity Initiatives

Jason Callahan, panelist

4:05 – 4:45 pm

Moscone North, Room 21

Thursday, July 13

TechTalk: Accelerating the Pace of Lithography and Scaling Innovation

EUVL Dry Resist for the 1nm Node and Beyond

Benjamin Eynon, presenter

1:35 – 1:55 pm

Moscone South, TechTalk Stage, Room 4

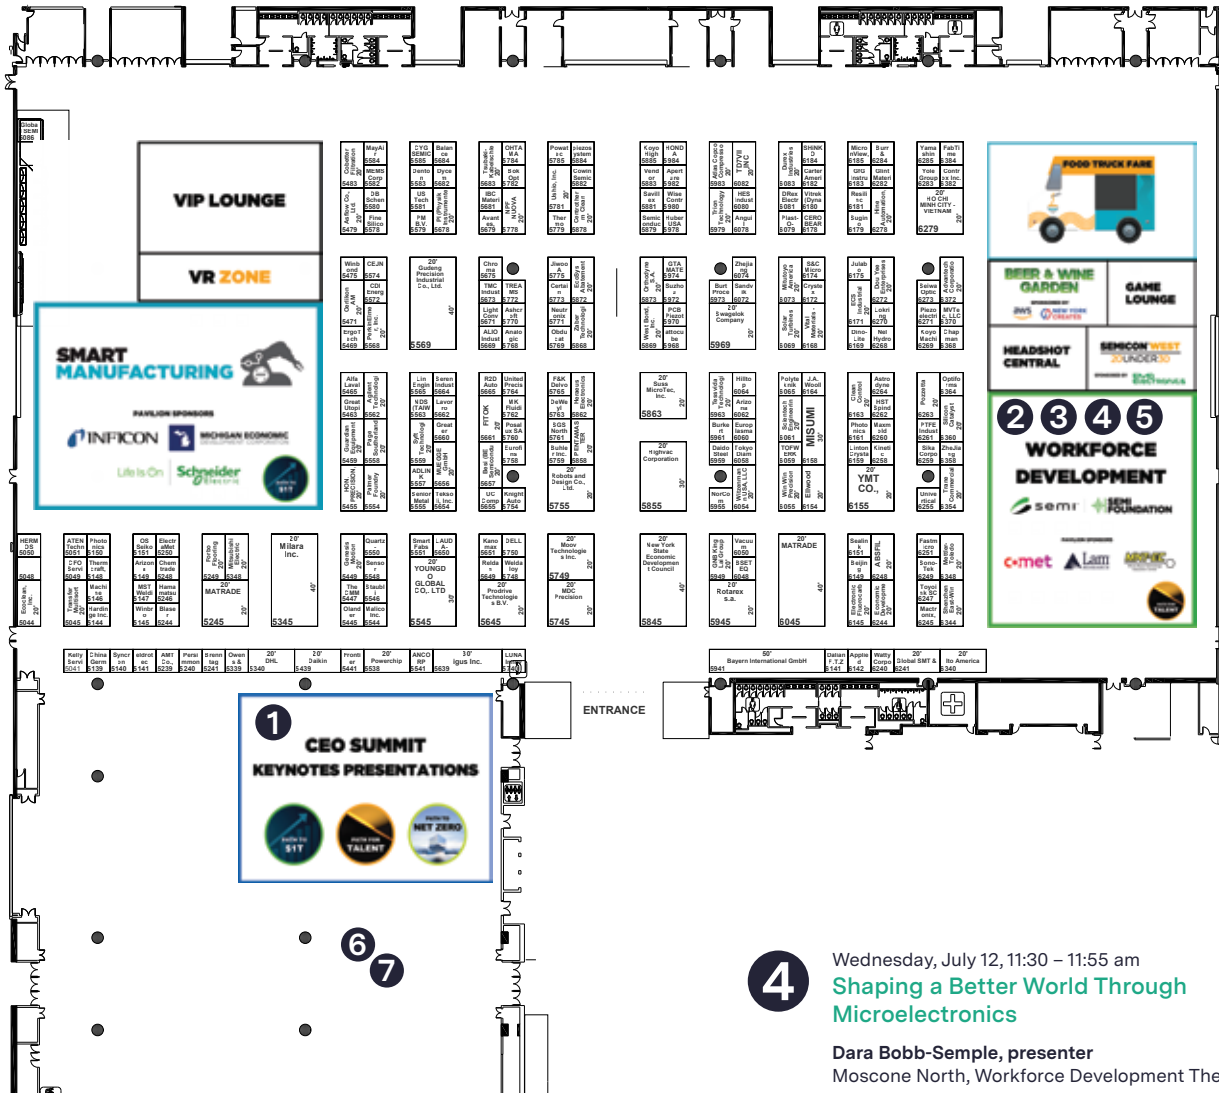

Startups for Sustainable Semiconductors

Panel: Role of CVC's in Sparking Sustainability Innovations

Kevin Chen, panelist

2:00 – 3:00 pm

Moscone South, Room 2

1 Tuesday, July 11, 8:30 – 8:55 am
CEO Summit: Path to \$1T (Keynote)
The Virtual Path to a Trillion-Dollar Reality

Tim Archer, keynote speaker
 Moscone North, Keynote Stage, Room 24

2 Tuesday, July 11, 3:00 – 3:25 pm
Workforce Development: Creating a Diverse and Inclusive Industry
Building a Better Network: Crucial Conversations

Antoinette Hamilton, presenter
 Moscone North, Workforce Development Theater

3 Tuesday, July 12, 11:00 – 11:25 am
Workforce Development: Building a Career in Microelectronics
Tales from Interns and Recent Graduates

Cuahtemoc Macias, presenter
 Moscone North, Workforce Development Theater

4 Wednesday, July 12, 11:30 – 11:55 am
Shaping a Better World Through Microelectronics

Dara Bobb-Semple, presenter
 Moscone North, Workforce Development Theater

5 Wednesday, July 12, 2:00 – 2:25 pm
Opportunities from Failure – A Day in the Life of an Engineer

Theron Smith, presenter
 Moscone North, Workforce Development Theater

6 Wednesday, July 12, 3:25 – 3:45 pm
Global Security Forum: Securing the Future for Semiconductor Manufacturing
It's Better to Trust Each Other

Jason Callahan, presenter
 Moscone North, Room 21

7 Wednesday, July 12, 4:05 – 4:45 pm
Panel: Accelerating Cybersecurity Initiatives

Jason Callahan, panelist
 Moscone North, Room 21

1 Tuesday, July 11, 4:20 – 5:00 pm
Climate Equity and Social Impact
Employee Impact Groups
Wojtek Osowiecki, presenter
 Moscone South, Room 2

2 Wednesday, July 12, 10:40 – 11:00 am
TechTalk: Latest Trends in Sensorization
Addressing High Volume Manufacturing Challenges and Technology Inflections in MEMS
Michelle Bourke, presenter
 Moscone South, TechTalk Stage, Room 4

3 Thursday, July 13, 1:35 – 1:55 pm
TechTalk: Accelerating the Pace of Lithography and Scaling Innovation
EUVL Dry Resist for the 1nm Node and Beyond
Benjamin Eynon, presenter
 Moscone South, TechTalk Stage, Room 4

4 Thursday, July 13, 2:00 – 3:00 pm
Startups for Sustainable Semiconductors
Panel: Role of CVC's in Sparking Sustainability Innovations
Kevin Chen, panelist
 Moscone South, Room 2
